Pine Castle Christian Academy, Inc. is a non-profit organization setting each year's budget on students contracted for that year. E termination/withdrawal of students will result in losses which are difficult to adequately assess, we understand that if we withdraw our stud between December 4, 2018 and May 22, 2020 there is a withdrawal fee of \$300.00 per student. Withdrawal policies include expulsion from school assessed on late and failed payments. The estimated McKay, Step Up, Gardiner and AAA scholarships may be adjusted based on the figures ; provided by the FLDOE. Any additional amount not covered is the responsibility of the family. Re-enrollment fees for returning families as well and enrollment fees for new families are non-refundable. Student records will not be released until the family's account is paid in full. **PI acknowledge that you have read the withdrawal policy.**
